252

(1930) WRIGHT DIRECTORY CO.'S

The City Directory

is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyers' Guide on earth. A modern, up-to-date method of getting what you want.

Q More goods are bought and sold through the Classified Business Lists of the Directory than any other medium on earth.
