**BOARD
GAME
CHALLENGE**

ALL AGES!

Create your own board game and showcase your new game at our Game Night on Wednesday, August 2 at 6:00pm. Guidelines & Resources can be found on our website. **Register Online!**

OPEN GAME NIGHT will also be held on the 1st Wednesday in June and July at 6:00pm.

Build a "Greener" World

Grow Your Own Food! - Pizza Garden

Wednesday, June 14 Session 1 - 10:00-11:00am
Session 2 - 1:00-2:00pm

What's every teen's favorite food? Pizza of course! Learn how to grow your own ingredients that are typically found on a pizza crust. **ONLINE REGISTRATION REQUIRED! Space is limited. Register for ONE session only.**

Explore Wind Energy Wednesday, June 21

Session 1 - 10:00am-12:00pm
Session 2 - 1:00-3:00pm
Design, build, and test a miniature wind turbine! Using KidWind materials, teens will learn the basics of harnessing the wind's power and transforming it into mechanical energy. Design your own blades, and then compete in a tournament of two categories; speed and torque. *This program is presented by Mid-State Technical College student Paul JohaneK .* **ONLINE REGISTRATION REQUIRED! Space is limited. Register for ONE session only.**

Build a Solar Car Wednesday, June 28

Session 1 - 10:00am-12:00pm
Session 2 - 1:00-3:00pm
Design, build, and test a miniature solar powered car! Using SolRun materials, teens will learn the basics of harnessing the sun's power and transforming it into mechanical energy. Design your own car, and then compete in a tournament of two categories; speed and torque. *This program is presented by Mid-State Technical College student Paul JohaneK .* **ONLINE REGISTRATION REQUIRED! Space is limited. Register for ONE session only.**

DIY Solar Oven Wednesday, July 12

Session 1 - 10:00-11:30am
Session 2 - 1:00-2:30pm
Learn about and design your very own solar oven! Using professional-grade solar ovens as an example, teens will learn how to harness the power of sunlight to cook. Materials will be provided to students so they can build their very own solar oven. *This program is presented by Mid-State Technical College student Paul JohaneK .* **ONLINE REGISTRATION REQUIRED! Space is limited. Register for ONE session only.**

REUSE IT! - T-SHIRT RAG RUG

Wednesday, July 19 Session 1 - 10:00-12:30pm
Session 2 - 2:00-4:30pm

Learn how to make t-shirt yarn from old t-shirts. We'll then use the t-shirt yarn to create a hula-hoop woven rag rug! You are welcome to bring your own t-shirts, however all materials will be provided by the library. **ONLINE REGISTRATION REQUIRED! Space is limited. Register for ONE session only.**

You Can YouTube!

PART I: LEARN HOW TO VLOG WITH YOUR PHONE

Monday, June 5 - 2:00-5:00pm

PART II: LEARN HOW TO EDIT YOUR VIDEO

Mondays June 12, 19, 26 - 3:00-5:00pm

Do you want to make videos like Vlog Brothers, ||SUPERWOMAN||, and other YouTube favorites? Join local YouTuber Spyros Henaidis to learn how to start making YouTube videos.

You do not need a fancy camera or other gear, all you need is a smartphone and a few free apps! You will also learn how to use Adobe Premiere for editing.

Vlog Mini Film Fest!

Vlog Mini Film Fest - Tuesday, July 18 - 6:00-7:00pm

Invite your friends and family! We will have a reception and a viewing of your newly created video blogs. Public are also welcome.

ONLINE REGISTRATION REQUIRED!

Registering for this workshop signs you up for both Part I and II. It is important that you are able to attend ALL days of the workshop! Space is VERY limited.
